17 September 1963

MEMORANDUM FOR: Deputy for Field Activities, OSA

SUBJECT: Plastic Parachute Proposal

25X1

1. The attached proposal is the result of an E & E Survival Board request to [redacted] to seek [redacted] opinion on the 25X1 possibility of designing a low visibility, high altitude personnel parachute. They are currently working on a plastic cargo chute for [redacted] 25X1

2. Such a chute would have profound effects upon the OSA survival program, as well as other Agency and DOD operations.

25X1

3. [redacted] is familiar with [redacted] and is available 25X1 to discuss this proposal with OSA personnel.

25X1

[redacted]
-10- Chief, Intelligence Division
Office of Special Activities

25X1
